MEMORANDUM FOR:

[redacted]  
Vice Chairman, National Intelligence Council

FROM:

[redacted]  
Executive Secretary, STAP

SUBJECT:

Forwarding of STAP Report on S&amp;T Intelligence

*Fred,*

1. Per our recent telephone conversation, I am forwarding a copy of a STAP report on the Intelligence Community's capability to fulfill the scientific and technical intelligence needs of national policymakers. The report addresses a number of procedural and organizational S&T issues which I know are of interest to you. I share your view that, after you review the report, a meeting between yourself and [redacted] the STAP Chairman, would be appropriate and useful. Please contact me on [redacted] and I will arrange such a meeting at a mutually convenient time. (U)

2. For your general information, I am also forwarding a current STAP membership list and a resume of the STAP's mission and principal functions. If the STAP can be of any further assistance to you in this or any other matter, please do not hesitate to call me. (U)

Sincerely,

[redacted]
